Dear Mike,

We have just been delighted to read our pen pal correspondence with Burundi. Thank goodness the letters arrived before the end of our school year because they have had a powerful impact. In fact, we were all so intrigued that we listened to each of the letters to read aloud in class. We wanted to share them all.

In response to them, our students opted to have a bake sale, a really big bake sale. That is what generated the \$225.00 (check attached) we send your organization. We know you will use the money toward important ends.

Thank you again to working with us on the mind- and life-expanding enterprise. We look forward to future association.

Sincerely,

Jeannine Carlberg & Karen Van Der Veer
