Dear Mike Seymour:

Thank you for taking the time and energy to bring Skyview into the Burundi project. Now that this project is coming to an end, I feel extremely moved to continue making a difference in the world.

My involvement in this project with you and Prosper has changed the way I view my life and the lives around me. My eyes have been opened to the true situations of today's society, and they shall never be closed again. I have promised myself that I will never again turn my head away from a problem like the problem in Rwanda and Burundi. I want to make a difference in the world, even if it is a small one. You have changed that part of my heart, and "Thank you" isn't even the right term to describe my gratitude.

Again, thank you for all of your time spent on this project with us, and I look forward to meetings, and maybe even trips to Burundi, in the future. You are a truly good person, Mike. Thank you.

Sincerely,

Rachel L. Culp
